

# Our work in figures in 2021

Pestalozzi Children's Foundation

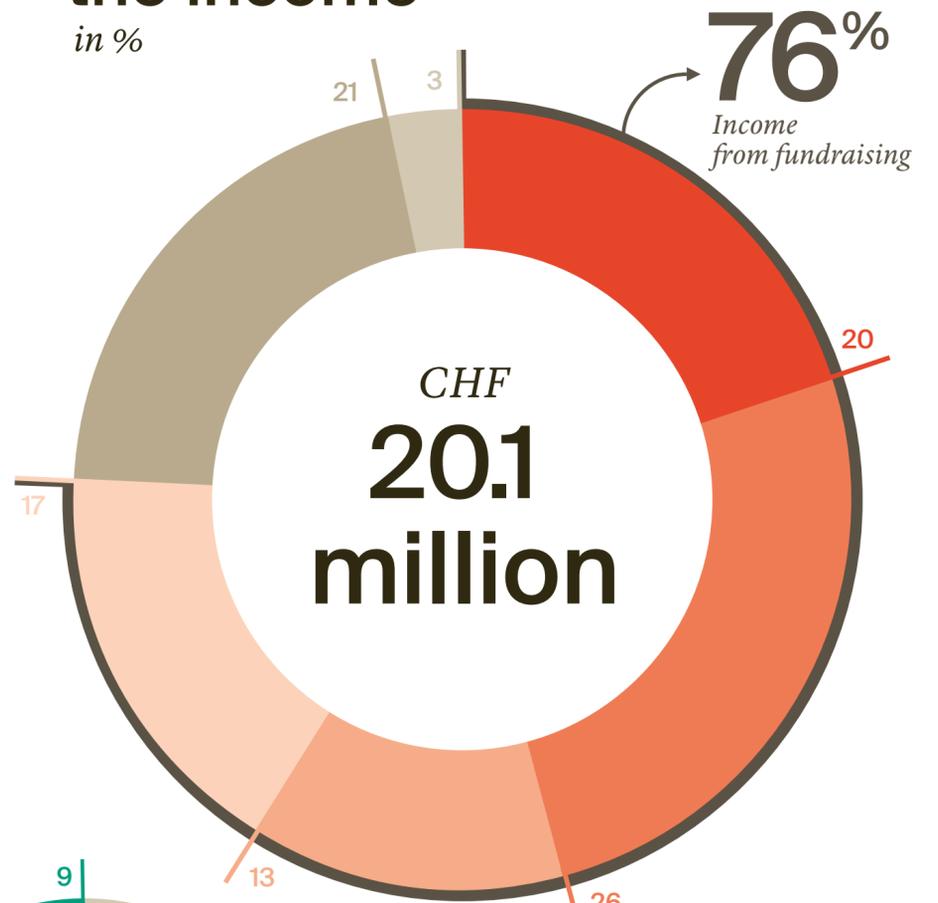

We are building a world for children. But where do our financial resources come from? What are they used for? And what is achieved with it? This poster aims to answer these questions and provide a simple overview of what we as the Pestalozzi Children's Foundation are doing in Trogen, throughout Switzerland, and around the globe in our twelve project countries.

## Source of funding
