

Yuri Gagarin Gymnasium №40 is situated in Kaliningrad. Kaliningrad is a seaport city and the administrative centre of Kaliningrad Oblast, a Russian exclave between Poland and Lithuania on the Baltic Sea. Our gymnasium was founded in 1960, but in 2013 we moved in bigger and more modern building. There are 2510 pupils and 187 teachers in our school. The high priority projects of our gymnasium are "Image of Russia", "Education and Diplomacy", "Exchange projects", "Youth assembly of twin-cities and partners of Kaliningrad", "School of young diplomat", "Model European Parliament of the Baltic Sea Region", "Physics and math platform", "Linguistic platform". Our students are highly motivated to participate in EYFT2019, because it will help to unite young people from different countries for fruitful discussions and cooperation.
