

Çakabey Schools, which is one of Turkey's most prestigious and successful schools, was founded in 1988 by a teacher. It provides education from kindergarten to 12th grade. There are 1492 students, 183 full-time teachers at Çakabey Schools. Department of Foreign Languages includes 55 teachers, eleven of whom are natives. The student-teacher ratio in the high school is 7 to 1. The average high school class size is 19 pupils.

At Çakabey High School, students are accepted to the school via level exams and interviews. The first 34.000 of the one million students that have applied for the national level exam, gain the opportunity to enter Çakabey High School. The school is a state recognised multi lingual school. All students study for high school diploma. The 12th grade has 71 students. The 2018 graduate year group had 60 students, 56 of whom were accepted in to their most wanted choice of university. Our students' placement average is in the first 15.000 among two million students whom have applied for the national university exam. They gain the opportunity to enter Turkey's top five universities. Çakabey High School has the highest student scores from the national university exam and the best university placements among İzmir's school and also 4th place among Turkey's high schools according to OSYM (Measuring, Selection and Placement Center of Turkey). With the support of Overseas Student Counseling Service, in Çakabey High School students have been accepted or given scholarship for the following universities: University of Michigan Ann Arbor, Georgia Institute of Technology, Worcester Polytechnic Institute, Michigan State University, Northeastern University, Chapman University, Loyola Marymount, University of California Santa Cruz, University of Massachusetts, Carleton University/Canada, The University of British Columbia/Canada, University of Toronto/Canada, Bocconi University/Italy, Rotterdam Erasmus University/Netherlands.
